

# ginseng 0+

zeropiù

Ginseng coffee certified sugar-free. The ideal drink for those who care about their health and well-being without giving up on taste and pleasure: **natural**, made only with the best **vegetable ingredients**, it does not contain dairy products, emulsifying dyes or synthetic additives. The perfect combination between the intense taste of coffee and the sweet vitality of ginseng.

## 8 GOOD REASONS TO CHOOSE GINSENG ZEROPIU'

- 1. Really sugar free:** Ginseng O+ is certified 0% sugars! Not only we do not add them, but they are not there!
- 2. natural:** Ginseng O+ coffee contains natural ingredients. We do not use preservatives, dyes, emulsifiers, hydrogenated fats or palm oil and it is gluten-free.
- 3. vegetal:** it does not contain dairy products nor animal products. We only use vegetable ingredients free of any allergen. All consumers can drink it.
- 4. WOW Effect:** Market tests have shown that the consumer is pleasantly surprised to be able to enjoy a truly good and tasty sugar-free, natural and vegetable drink. Ginseng O+ is fragrant and not bitter.
- 5. Suitable for consumers of all ages:** not containing sugar and having a low caloric count, it can also be consumed by consumers who until now, due to health problems, could not enjoy traditional ginseng coffee.
- 6. Easy to prepare:** it is soluble, you just have to add the powder preparation to the boiling water.
- 7. Fast serving:** does not waste time in the shop. Just select the desired dose and the machine dispenses the product in the cup ready to serve.
- 8. More health, more wellness, more energy:** the perfect product for customers who care about their health and well-being.

# Shake and taste it also cold!

A safe way to differentiate the offer of the  
your shop and increase the sales.

## CERTIFIED SUGAR-FREE:

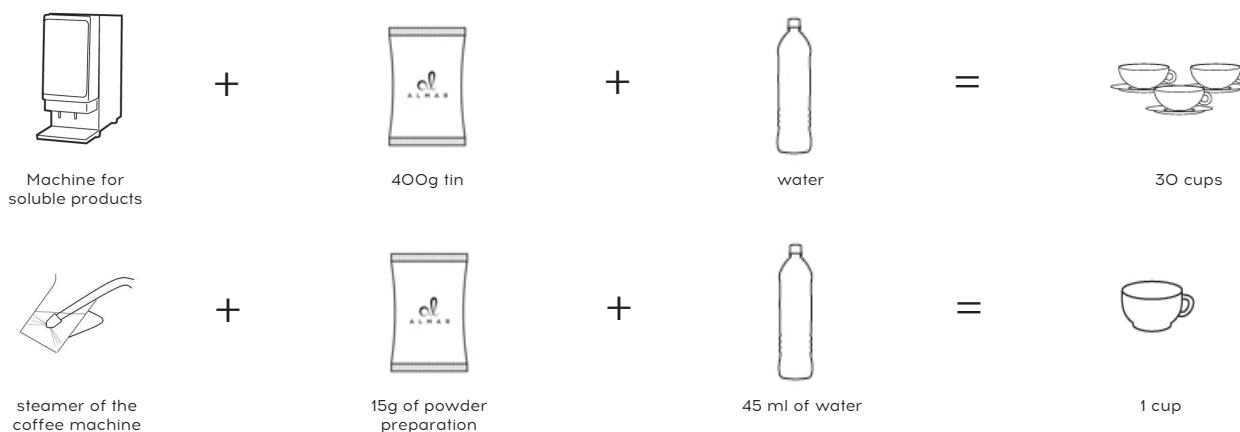

Ginseng O+ is certified sugar-free!  
Not only do we not add it, but it is not there!

## HOW TO PREPARE:

### With the machine for soluble products

Pour the powder into the machine container and press the dispensing button.

### Without the machine

Pour 45 ml of boiling water and into a container, add 15 g of ginseng coffee powder preparation and mix very well.

To obtain a more creamy product, use a shaker or a milk frother.
