

I.G.S. SERVIZI GRAFICI INTEGRATI

Making your mark

Who we are

Italian company specialized in high-quality services in the graphic arts sector.

We offer best-in-class imprinting and finishing solutions to fulfil every need of our customers.

Your reliable Partner

From the beginning, we have been a company where industrial processes and rigor merge with dedication, quality and artisanal precision.

Highly trained and specialized personnel, specific know-how and a complete and efficient machine park enable us to produce excellent printouts that meet the specific needs of a variety of industries.

Certifications

Responsibility without compromise

FSC® - Forest Stewardship Council® - Chain of Custody Certification (CoC)
- license code FSC-C154997

By choosing FSC® products, you will not only contribute to the care of forests for future generations, but you will also have the certainty of relying on a qualified and reliable partner and benefit from the recognition guaranteed by the FSC® logo.

ISO 9001:2015

As a certified company, we demonstrate to all our stakeholders our commitment to ensuring the highest quality standards.

Our Quality Management System incorporates the most significant **Good Manufacturing Practices (GMP)** for the pharmaceutical packaging.

Who our services are for

Satisfied customers thanks to our commitment to always provide high-quality, efficient and personalized service tailored to various needs, at the right price.

Our core principles

End-to-end Service

We provide a complete service from the design phase to the finished product, or we can assist our clients at any stage of the process.

Customized Services

Thanks to our structure, we are reliable partners for addressing graphic challenges in different sectors, capable of delivering distinctive products in various formats and techniques.

Quality

Our strategy is to offer the best solutions for your specific needs through specialized expertise, premium materials, and artisanal precision.

Timeliness

With our acquired experience and technology, we can expedite the production process, from quoting to delivery.

Professionalism

Industrial processes and rigor merge with dedication, quality, and artisanal precision, and we are always updated on the most innovative and efficient production techniques.

Collaboration, Integrity, and Transparency

We believe in professional relationships based on integrity, collaboration, honesty, transparency, and respect.

Target industries

Pharma industry

Reliability and precision are our guiding principles to ensure the integrity of pharmaceutical products.

Cosmetics

Our attention to detail helps you create a lasting impression with your customers.

Fashion

We understand the importance of creativity and brand image.

Advertising & Editorial

Our visual quality effectively communicates your message to your audience.

Our services

We offer an end-to-end service in the production of printouts and packages, specializing in medium and high runs.

Our extensive knowledge of the various supports allows us to guide our customers in the industrialization of the printout in order to optimize it both qualitatively and economically.

Graphic Design

Pre Press

Offset and Digital Printing

Finishing

Packing and Binding

Variable Data Management

Our projects

We offer complete and innovative solutions in the pharmaceutical, cosmetics, fashion, publishing and advertising sectors, transforming your ideas into creative, refined and quality products.

Foldables

Volumes, Magazines

Packaging

Paper Products

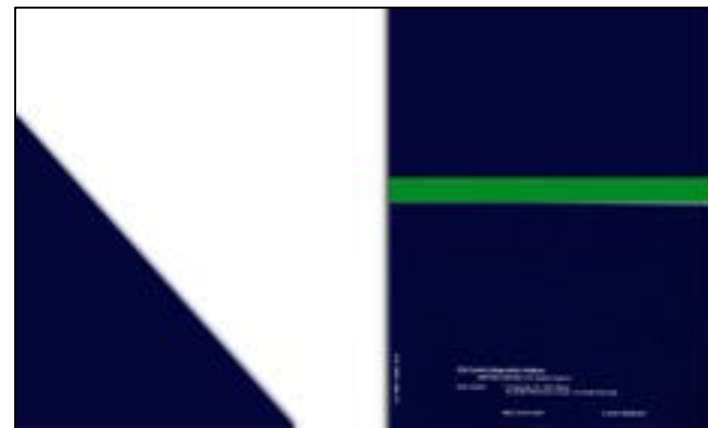

Brochures, Catalogues

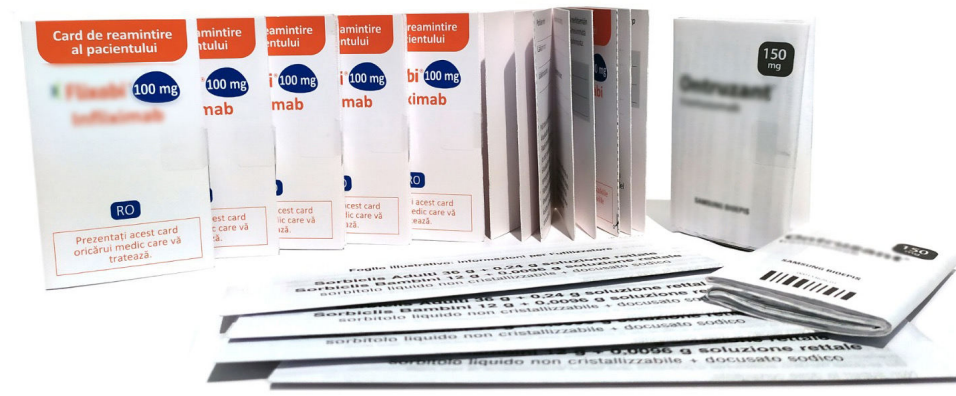

Some references for the pharma and cosmetics industries

We stand out for the quality and extreme precision of our printing, product traceability and compliance with the main GMP procedures for the pharmaceutical packaging.

Folders, Blocks, Dividers

IFU, foldables, secondary packaging

Brochures

Some references for the fashion, advertising and editorial industries

Industrial processes and rigor merge with dedication, quality, and artisanal precision.

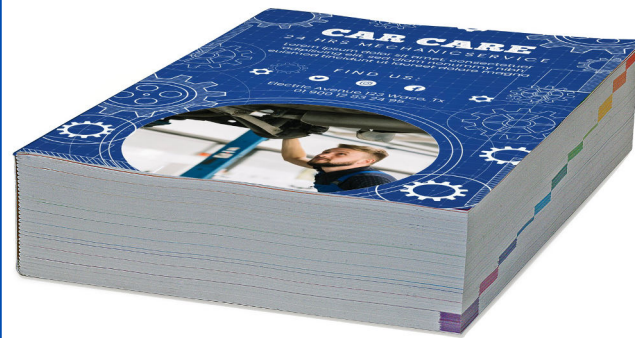

Foldables

Parallel, cross or combined folds; printouts knurling with inline or interrupted perforations (T or L shaped).

Volumes

We package in both perfect binding (glued spine) and sewn binding, with spine widths ranging from 2 to 65mm.

Upon request, there is the option to apply glue directly on the folding line, as well as labels and closure seals.

Packaging

Various kind of boxes, available from small to large formats: self-assembling boxes, angled boxes, packages with internal separators, anti-counterfeiting systems to name a few

Paper Products

Postcards, Envelopes, Folders, Cards, Hang Tags, Calendars, Die-Cut, and Countertop Displays.

Possibility to apply stickers, multiple labels, and sealing seals, as well as design them with multiple pockets (interlocking, glued, flat, with spine, 3-flap) with both sharp and rounded corners

Brochures, Catalogues

Possibility of finishing the products using opaque, glossy, scratch-resistant plastics, designing them with multiple pockets or flaps, rubrications, applying multiple labels and closure seals.
