COMPANY PRODUCTS: PERCHÈ COMPILARE LE SCHEDE

Terminata la compilazione del **Company profile**, ti consigliamo di dedicare tempo e attenzione alla compilazione delle **schede prodotto**.

Inbuyer 365 ti dà la possibilità di creare una scheda per ogni tuo prodotto.

Perchè è importante compilare anche le schede prodotto?

Per aumentare la visibilità della tua azienda nei confronti dei buyer.

I buyer, infatti, possono effettuare ricerche sia per azienda sia per prodotti di interesse.

Più prodotti inserirai, più i buyer interessati potranno **individuare la tua azienda** tra le tante presenti sulla piattaforma.

Anche in questo caso, ti chiediamo di compilare **tutti i campi in lingua inglese**.
